5,152,365	Oct. 6, 1992	Aoshima
5,195,484	Mar. 23, 1993	Knapp

Patent 5,042,603 is representative of the prototype vehicle referred to in lines 1 - 5 of page 2. We also attach a copy of an article describing the prototype vehicle. The article appeared in a December 1990 publication.

The attached promotional literature of Navistar International Corporation entitled International® Design & Engineering Assessment is of indeterminant origin but was published we believe during or about 1990.

Respectfully submitted,

Dated

8/16/96

Thomas E. Fisher
